SPRING 2024

Soccer Tots Program

For children (boys & girls)

who have turned 3 years old before April 1, 2024.

- Children younger than 3 years old (on April 1) will need to wait until the fall season program.
- Children who will turn 4 years old before Sept 30, and will be going into Kindergarten next August (for the 2024-25 school year), may play in our Pre-K Soccer Program.

This program is designed to provide a very positive, fun sporting experience to children. Activities will be conducted that improve movement, agility, balance, directional sense, and other age-appropriate skills – both with and without a soccer ball.
